IJSSE

About Journal   For Authors   For Reviewers   For Editors   Register

About Journal

The International Journal of Scientific and Social Excellence (IJSSE) is a Scopus-indexed journal publisher committed to advancing academic research. Our mission encompasses facilitating excellence in scientific and social research while ensuring global visibility for researchers. The journal is identified by its print ISSN 2395-1443 and online ISSN 2395-1451.

For Authors

Authors can submit manuscripts, track submission status, and access detailed guidelines to ensure their research aligns with IJSSE's publication standards.

For Reviewers

Reviewers are equipped with tools to review submissions effectively and access resources tailored to their roles in the peer-review process.

For Editors

Editors can manage submissions, coordinate peer reviews, and oversee the publication process through an intuitive dashboard.

Register

Register as an author, reviewer, or editor to ensure seamless communication and workflow within the IJSSE system.
